Part 1: Monthly Business Meeting. You can join the meeting any time after 9:00 AM. The Business Meeting will begin at 9:30 AM.

Part 2: *Growing Iris, Daylilies and Hostas* 10:15 AM

Suzanne Mahler will present the program entitled "***Growing Iris, Daylilies and Hostas.***"

The program will offer a general overview and lovely images of three diverse hardy plant groups that offer multi-seasonal interest.

Suzanne has been sharing her passion for gardening for more than 30 years, having spoken at the Boston, Rhode Island and New England Spring Flower Shows, Art in Bloom at the Museum of Fine Arts, the Environmental Protection Agency and garden clubs and organizations throughout the New England area.

She is a past President of the *New England Daylily Society*, an Overseer for the Massachusetts Horticultural Society and works part time at a local garden center.

Suzanne has been developing her acre property for 40 years, and is an avid plant collector with extensive collections of woody plants and perennials including more than 300 daylily cultivars and 250 varieties of hostas.

- **March 9th Horticulture Study Group**
9 AM *Plants over time in New England* presented by Derek Lowe. Derek's talks are always informative and entertaining.

The Acton Garden Club’s Lemonade Party is back!

Beginning **May 22nd** your fellow Acton Garden Club members will be offering to sell plants from their gardens to folks anxious to purchase them for their very own gardens. You have an empty spot in your garden, we can fill it!

This year you, your friends and neighbors are welcome to participate.

Start thinking (*garden dreaming*) about what you can offer for sale and what you would like to buy.

Stay tuned. More details are coming soon.

Susanne Fuller sent these enchanting links to tulips. Dreaming of spring being right around the corner?

Here are links to some information about tulips – with beautiful photos. Where do tulips come from?
